TD SYNNEX | Microsoft

Microsoft Resource Guide

September 2025

Microsoft
2024 Partner of the Year

Finalist
Distributor Award

Executive Summary

Welcome to the Microsoft Resource Guide, a comprehensive document that provides details on all our teams to support your business. Whether you are looking for sales assistance, technical support, or partner opportunities across our Microsoft business unit, you will find the right resource and contact information here. By partnering with TD SYNNEX, you can benefit from our strategic leadership and ongoing innovation.

Tracy Holtz

Vice President, Cloud
TD SYNNEX

Tracy Holtz serves as Vice President, Cloud Solutions for TD SYNNEX. She is responsible for the Microsoft business development, enablement and growth strategy. Formerly, Tracy was responsible for TD SYNNEX Security and Networking Product Management Organization and Innovation. She also has held previous positions leading Tech Data's Security Strategy including vendor management, solutions development, innovation, strategic vendor strategies, direction and accelerating sales performance across portfolio leveraging vendor sales, training and enablement, and delivery services through the Tech Data partner and sales ecosystem.

Tracy joined Tech Data in 1997 beginning her career in finance prior to joining the vendor management organization in 2000. With 24+ years of experience at TD SYNNEX, she has held multiple roles of progressive responsibility including in vendor management, business development, and program management.

Prior to her service at TD SYNNEX, Tracy began her career in the IT industry when she joined TransWorld Electronics in 1993 and held positions in finance, sales and purchasing.

Tracy has received numerous awards and recognitions for her business and channel achievements including CRN Woman of the Channel, CRN Power 100, CompTIA Rising Star, and is passionate about educating children about AI, Cloud, and Security education and career opportunities. Tracy is based in St. Petersburg, Florida.

Thank you for choosing TD SYNNEX as your trusted partner. Together, we will achieve great success.

Microsoft Partner Program

What We Do

The **Microsoft AI Cloud Partner Program (MAICPP)** is the partner program for all Microsoft partners. As a part of MAICPP, you have access to benefits, resources, programs, and tools to help you train your team, build innovative solutions, differentiate and connect with customers.

TD SYNNEX helps our CSP partners navigate the partner program and provide guidance to elevate your status so you can maximize all the benefits and incentive opportunities available to you.

MAICPP Clinics
- Live sessions on Microsoft's partner program
- Get questions answered on MAICPP
- Expert tips and insights on earning a Solutions Partner designation
- Increase your knowledge on Microsoft Commerce Incentives (MCI) rebate/co-op
- Register for a Session

Coaches
- Leverage additional one-on-one support with MAICPP Subject Matter Experts
- Improve partner capability scores
- Accelerate skills and competency development
- Tap into our extensive Coaches Network
- Connect with Coaches

Microsoft Practice Builder
- Free resources and enablement tools available on-demand and self-serve
- Solutions Partner designation resources
- Multiple solution paths aligned with MAICPP
- Sign up for Microsoft Practice Builder

Skilling
- ExitCertified provides Microsoft instructor-led classes to meet certification requirements across Azure, Modern Work, Business Applications and Security
- Free exam vouches available on request
